Twelve Twelve is developer [Ray Hensler](#)'s latest endeavor in the Gulch, and the first new high-rise condominium project in Nashville since the recession.

Check out the slideshow with this story to take a tour of the building as it wraps the final stages of construction before opening this summer.

Get a sense of who is buying the multi-million-dollar penthouse units inside Twelve Twelve [in this story from reporter Adam Sichko](#). And for more, check out [this story detailing how Hensler got his lenders to OK](#) the switch from a luxury apartment tower to condos.
